## *Our Story*

*In September of 2000 John and Reba Buckwalter sold the restaurant to Tom and Roe Daly (and their 4 children). Tom and Roe are no strangers to large gatherings with lots of food. One of 11 children, Tom was raised to believe every meal was a big event. He grew up enjoying his mothers home made ham and cabbage, beef stews, pot roasts and pork and sauerkraut. Roe was raised among six siblings. Of Italian decent, meal time at her home meant being prepared for extended family or friends to drop by and of course stay for supper. What we love most about Country Table is the sense of family among friends enjoying time together at mealtime around the table.*

*Be sure to visit our Award Winning Bake Shoppe and Deli where you can enjoy specialties such as sticky buns, shoofly pie, apple dumplings, or dinner rolls, all baked daily on the premises from scratch. Our amazingly talented cake decorators have earned a reputation for their beautifully decorated wedding cakes, birthday and special occasion cakes . We welcome your special orders! Our decorators enjoy the challenge of satisfying both the unique and simple requests for cake design. Our deli offers you the opportunity to take home favorites such as potato salad, macaroni salad, cranberry relish, homemade soups, baked beans, Home meal replacements, sub sandwiches and even Kreider's Premium Ice Cream.*

*We hope you enjoyed reading our history. Roe and I will continue to honor the recipes and food traditions of the past, serving from scratch home style cooking for a reasonable price and friendly service, while offering some new dishes to keep up with present day dietary needs.*

*Ask your server if you
